STEP 1

Head to your iPad settings > Shortcuts > enable Private Sharing*

* you can disable it once the shortcut is installed.

STEP 2

Download the OraPapers2026 shortcut by clicking on the button below:

[OraPapers2026 Shortcut](#)

Follow the instructions on your iPad.

Do not make any modifications in the shortcut as it will disable the integrations

STEP 3

You can start using the integration!

To use it, enable "read only" mode on your annotation app of choice, & click on the "+" buttons on the planning pages of the planner.

Calendars, Reminders & Notion integration button

For more information follow Ora Paper on social media!
